

# GRID NEUTRAL SCHOOLS WORKSHOPS

*Related Topics for New and Existing Schools:*

Comprehensive Planning	Energy Use Management
Energy-Efficient Designs	Operations & Maintenance
Energy-Generating Technology	Innovative Financing

DIVISION OF THE  
STATE ARCHITECT  
DEPARTMENT OF GENERAL SERVICES

The outcome of this workshop will be a guidebook detailing a “set of solutions” to communicate to stakeholders and school boards the recommended means, methods, and economics on how to become grid neutral.

*Monday, October 20th, 2008  
8:00am to 4:30pm*

Department of General Services Headquarters  
707 3rd Street  
West Sacramento, CA 95605  
Auditorium, 1st Floor
